**BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA**

DOCKET NO. 2011-107-C

IN RE: Application of i-wireless, LLC)	
for Designation as an Eligible)	ETC ANNUAL REPORT
Telecommunications Carrier in the)	
State of South Carolina)	

Pursuant to 26 S.C. Code Ann. Regs. 103-690.1 and Order No. 2011-766, i-wireless, LLC ("i-wireless" or "the Company"), by undersigned counsel, hereby submits its 2013 Eligible Telecommunications Carrier ("ETC") Annual Report and respectfully requests that the South Carolina Public Service Commission ("Commission") certify i-wireless' eligibility to receive federal low income support for the 2014 calendar year. i-wireless submits the following in compliance with 26 S.C. Code Ann. Regs. 103-690.1:

I. Certification of compliance with CTIA Consumer Code (103-690.1(B)(a))

i-wireless certifies that it is in compliance with all applicable service quality and consumer protection requirements and standards, including the CTIA Consumer Code for Wireless Service, as it is required to do pursuant to 47 C.F.R. § 54.202(a)(3).

II. Lifeline Reporting

103-690.1(b)(3) - Requests for service that were unfulfilled

i-wireless had 0 unfulfilled requests for service for the 2012 calendar year.

103-690.1(b)(4) - Number of complaints per 1,000 handsets

i-wireless had 1.8 complaints per 1,000 handsets for the 2012 calendar year.

103-690.1(b)(5) - Certification of compliance with applicable service quality standards and consumer protection rules

i-wireless certifies that it is in compliance with all applicable service quality and consumer protection requirements and standards, including the CTIA Consumer Code for Wireless Service.

103-690.1(b)(6) - Certification of ability to function in emergency situations

i-wireless provides service by reselling the network services of Sprint Spectrum, L.P. (“Sprint”) and certifies that it is able to remain functional in emergency situations based on 47 C.F.R. § 54.202(a)(2). i-wireless relies on Sprint’s network reliability in all situations, including emergency situations. Sprint complies with applicable requirements for emergency service, including access to a reasonable amount of back-up power to ensure functionality without an external power source, the ability to reroute traffic around damaged facilities, and the capability of managing traffic spikes resulting from emergency situations. Sprint has implemented state-of-the-art network reliability standards and i-wireless and its customers benefit from Sprint’s high standards.

103-690.1(b)(7) - Certification regarding provision of comparable local usage plan

i-wireless certifies that it offers a local usage plan comparable to that offered by the incumbent LEC (“ILEC”) in the relevant service areas. i-wireless offers a variety of rate plans that provide its customers with local usage capabilities in the form of monthly plans, unlimited plans or pay-per-use plans—but without the burden of contracts, activation fees or roaming charges. Similar to ILEC Lifeline offerings, i-wireless customers have the option to apply the Lifeline discount to the Company’s retail rate plans and have the option for unlimited local calling. i-wireless’ offering also exceeds those of the ILEC in several respects. i-wireless offers customers a certain amount of service free of charge. i-wireless customers can use these free

minutes to place calls statewide (and even nationwide) because i-wireless does not constrict customers' use by imposing a local calling area requirement. i-wireless also provides Lifeline customers with E911 capabilities and access to voice mail, caller I.D., and call waiting services at no cost.

103-690.1(b)(8) - Certification regarding equal access

i-wireless acknowledges that the FCC may require it to provide equal access to long-distance carriers in the event that no other ETC is providing equal access within its designated service area.

103-690.1(b)(9) - Number of Lifeline customers

i-wireless had 29,779 Lifeline customers as of December 31, 2012.

103-690.1(b)(10) - Copies of responses to the Lifeline Verification Survey or Certification filed with USAC

See attached Exhibit A for a copy of i-wireless' Annual Lifeline Certification (Form 555) filed with the Universal Service Administrative Company ("USAC") by January 31, 2013. i-wireless will also file with the Commission a copy of its FCC Annual Report (Form 481) that will be filed with USAC upon OMB approval of the Form.¹

¹ See *In the Matter of Connect America Fund*, WC Docket No. 10-90, Order (rel. June 10, 2013) at ¶ 4. In the Order, the FCC waived the July 1, 2013 deadline for ETCs to file their annual report as the OMB has not yet approved the FCC Form 481. Upon approval, the FCC will issue a Public Notice to notify ETCs of the alternate filing deadline.

Respectfully submitted,
